MELBOURNE CONVENTION & EXHIBITION CENTRE

ICONN ICAM

SPONSORSHIP AND EXHIBITION PROSPECTUS

WWW.ICONNFERENCE.COM

A MESSAGE FROM THE CHAIRS

On behalf of the Organising Committee, it is our pleasure to invite you to partner with the Joint International Conference on Nanoscience and Nanotechnology (ICONN) and IUMRS International Conference on Advanced Materials (ICAM), to be held at the Melbourne Convention and Exhibition Centre, Australia, from Monday 8 – Thursday 11 November 2027.

ICONN is Australia's largest biennial conference in nanoscience, while ICAM is one of the flagship conferences of the International Union of Materials Research Societies (IUMRS). Bringing these two internationally recognised conferences together creates an exceptional opportunity to connect with a diverse audience of leading scientists, engineers, industry representatives, entrepreneurs, and emerging researchers from around the world.

The scientific program will showcase the latest advances across nanoscience, advanced materials, engineering, device technologies, and innovative applications addressing some of the world's most pressing challenges, including energy, sustainability, health, communications, and the environment. Complementing this will be a vibrant exhibition and networking program designed to foster collaboration between academia, industry, government, and research organisations.

Your support as a sponsor or exhibitor plays an important role in the success of ICONN-ICAM 2027. Beyond enhancing the delegate experience, your partnership provides a valuable opportunity to showcase your organisation, build brand awareness, demonstrate products and services, generate new business opportunities, and establish meaningful relationships with key decision-makers and future collaborators.

We invite you to explore the range of sponsorship and exhibition opportunities outlined in this prospectus and look forward to welcoming you as a valued partner of ICONN-ICAM 2027.

ABOUT ICONN-ICAM27

ICONN-ICAM 2027 will bring together leading researchers, industry experts, innovators and emerging talent from across the global nanoscience, nanotechnology and advanced materials community for a premier international meeting in Australia. Combining the strengths of the International Conference on Nanoscience and Nanotechnology (ICONN) and the IUMRS International Conference on Advanced Materials (ICAM), the conference will provide a platform for collaboration, knowledge exchange and the presentation of cutting-edge research and innovation.

With the co-location of these 2 prestigious events, ICONN-ICAM 2027 will be a stand out event in the calendar for 2027. The combined conference will feature a comprehensive scientific program including keynote presentations, multidisciplinary sessions, workshops, panel discussions and exhibitions. Symposia themes will span Quantum, Electronic and Photonic Materials, Devices and Systems, Advanced Materials for Energy, Environment and Sustainability, Biomaterial, Biotech and Health, Advanced Fabrication, Characterisation and Manufacturing, and Computation and AI for materials.

WHO ATTENDS

The conference will attract approximately 550+ delegates from academia, research institutions, government and industry, fostering international collaboration and discussions that will help shape the future of nanoscience and advanced materials.

WHY SPONSOR?

- Connect with a highly engaged audience across nanoscience, nanotechnology and advanced materials
- Elevate brand visibility through integrated sponsorship recognition and speaking opportunities
- Engage directly with researchers, innovators and industry decision-makers
- Access emerging talent shaping the future of quantum technologies, AI and smart materials
- Build industry presence through exhibitions, networking and collaborative engagement

SPONSORSHIP OPPORTUNITIES

A range of sponsorship and exhibition opportunities are outlined within this prospectus, designed to provide valuable exposure and meaningful engagement with delegates throughout the conference. In addition, tailored or bespoke partnership opportunities can be developed to align with your organisation's objectives and budget.

Please contact the Conference Organiser, Expert Events, to discuss the available opportunities in further detail.
